Once this is returned to us (and there is a mention of proof of travel plans), the Principal will sign it, and sign a Certificate of Extended Leave - Travel. This certificate is returned to you for you to take with you on your holiday. The school will keep a copy in your child's Student Record Card.

Thank you for your support.

### Monster Fun Day. By Thomas

Gob Rob wanted to go to Ronny's house and Ronny said he could. Ronny and Gob Rob were riding motorbikes and dune buggies. They rode on the road, they could flip the dune buggies. The two monsters stopped out the front of the fish and chips shop. The two monsters were having fun on the one hundred foot jump, on KTM, Suzuki, Kawasaki and Yamaha quad bikes. The two monsters had to use tractors because the jump was getting smaller and smaller. By the end of the day the two monsters were tired and Gob Rob asked Ronny to drive him home.

It was a good day after all. "Thank you Ronny" said Gob Rob and Ronny drove home. It was the best day ever.

### The Ugly Monster. By Harvey

Gob Rob was a scary, ugly and mean monster. He lived in the water and scared all of the people away. In the land he stole, he took all of the food so there was none. He would get people but most times there is none so he gets fish, but he thinks they taste yuck!

One day Gob Rob was in the city. He was scared but everyone was scared of him. Gob Rob hid in the bin but one day a boy fell into the bin. He saved the boy and he became a hero. Gob Rob was still ugly but he was now rich. He didn't know what the people were saying and he didn't know what to do. He thought the money was to cover himself in. He did and then the president came out. He said "what is your name?" Gob Rob roared and ran away.

No one ever saw him again. The end.

### Monsters Lost in the City. By Eliza and Lily

One day there were two monsters named Gob Rob and Goofy. The two friends went to the beach for the day. They ate fish and chip, the sand was warm and golden. The two monsters said to each other "let's go to the toy shop". "No to the clothes shop". So the two monsters split up and decided to go different ways. This is how they got lost.

Goofy went to the toy ship and Gob Rob went to the clothes shop. When they knew that they were lost they felt scared and frightened. The two monsters called each other on the bone phone and said "I'm lost! Where are you?" "I am at the clothes shop said Goofy. Goofy said "let's meet at home". Gob Rob said "okay". They decided to go home and have pizza for dinner and they laughed about their adventure.
