### **LMBR News**

Thank you to everyone for your patience and understanding as the school has transitioned into the new LMBR system.

We are still learning and will be for a while, so tasks that the office use to be able to do quickly may take longer as we familiarise ourselves with this new way of operating.

Dear Parents,

What a busy few weeks! First I would like to thank all the staff, students and parents for making me feel so welcome at Modanville Public School. It is a beautiful school with lots of fantastic programs and opportunities for our students.

First I would like to thank Mr Cooper for his leadership at Modanville Public School over the last 9 years. The students have been keen to tell stories of Mr Cooper and he will be missed. Thankyou to all the parents and community members who came and helped at Mr Cooper's farewell last Thursday. We wish him all the best in his retirement and are sure that he will enjoy his many hours of sitting on the deck and watching the cricket.

I would like to also thank all the families that came out to our Cyber Safety night last Wednesday. On the night we were given a presentation by Senior Constable Struan Presgrave, about the dangers of being on line. A few of the main ideas are:-

- Ensure your child is online in a common part of the house where parents can observe any online activities.
- Social media is only legal for children over the age of 13. Accounts of students under the age of 13 can be shut down by the school or police.
- More than half the students in years 4-6 at Modanville Public School have social media accounts according to the school survey.
- More than half the students at Modanville Public School have seen inappropriate images on the internet.
- Teach your children to be cautious when online gaming especially when unknown people want to chat or create a friendship.

If you would like any additional information about cyber safety feel free to contact Ryan Swift or myself.

Next Thursday is the Lismore Cup half day holiday. Could you please ensure that you have returned your note in regards to this day.

Next week is also the last week of Term 3. We wish everyone a very restful holiday in preparation for a very busy Term 4.

Have a great fortnight, Kerry

**Interrelate:** Unfortunately the Interrelate program we had scheduled for 4<sup>th</sup> and 18<sup>th</sup> September for our Year 5 and Year 6 students had to be cancelled due to an unforeseen resignation at Interrelate.
