Dear Parents,

It was great to see some new parents at our P&C meeting last night. Thankyou for those parents who support our P&C and attend the regular meetings. For those interested in fundraising activities at the school there will be a fundraising meeting Wednesday of week 5 at the school at 6pm.

The next few weeks will be very busy with our teachers training in Athletics and then carrying out a program with The Channon Public School. There will be a permission note heading home in the next few days with more details.

In week 5 we will be having our interest day where students will attend Dunoon, The Channon or remain at Modanville to carry out activities with students across all the local small schools. There will be a variety of educational activities that the children will take part in.

We have made progress with our Skool Bag app. You may notice that we are updating our school calendar to reflect the activities that are happening over the next few weeks. Our Interest Day note has been placed in our Notices as well as the calendar. You can also find a copy of the permission note attached and a eform has been also attached for those who prefer to carry out notes electronically. Please note it is not always possible to use eforms, however we will use these when able.

We are seeking information about how parents communicate with the school. We are sending home a form for you, as well as putting this information at the end of the newsletter, for you to complete regarding your preferred method of receiving communications from the school for newsletters and excursion notes. We appreciate you taking the time to do this and returning it to the school. Thank you.

Thankyou to all our parents who have been helping out in our classrooms, canteen and at other times in the week. Your support means a lot to the staff.

Regards,

Kerry

Projected Enrolments: If you or someone you know have a child starting Kindergarten in 2019 or 2020 at our school, can you please let the school know as we are trying to get an idea of what enrolments we can anticipate as well as having data ready for returns to complete further in the year.

Zone Cross Country: What a great result for our District Cross Country. Congratulations to Indi, Isabella, Lyla, Amity, Blake, Harvey, Lachlan, Lachlan, Harry and Michael who all came a place. The following students are now going on to Zone Cross Country on Friday 1st June: Indi, Isabella, Lyla, Amity, Blake, Lachlan, Lachlan, Michael - good luck with your race. If your child is going on to Zone, please remember to send in their form and the \$5 levy, we will have the form signed, take a copy and return the original to you. On the day, you need to take this form with you.

and hand it in to the Dunoon District team manager, Dave Condon.

Dorroughby and Midginbil Hill Excursions: Notes have been sent home regarding these two excursions. Today we are sending home accounts that can be created from the new LMBR system. You may pay for these excursions in cash, cheque or online through our school website. If paying through the school website, choose the 'Make a Payment' tab, and put in your child's name (no need for a student number), the excursion you are paying for (eg Dorroughby or Midginbil Hill) and then the amount.

You are more than welcome to pay this off in instalments, with the final payment due by the day before the excursion begins.

P&C Meeting: Please note the P&C meetings are now at 6pm on the 3rd and 8th week of each term.
